Note

The use of tetracyclines during tooth development (last half of pregnancy, infancy and childhood to the age of 8 years) may cause permanent tooth discoloration (yellow-gray-brown). This reaction is more common during long-term use of the tetracyclines, but has been observed following short-term courses. Enamel hypoplasia has also been reported. Tetracycline drugs, therefore, should not be used in this age group unless other drugs are not likely to be effective or are contraindicated.

Hypertension - Fixed Combination Drugs

A fixed combination drug is not indicated for initial therapy of hypertension. Hypertension requires therapy titrated to the individual patient. Recognizing this, if the fixed combination drug meets that titrated dose of its individual components, its use may be more convenient in the management of the individual patient. The treatment of hypertension is not static, it must be re-evaluated as conditions in each patient warrant. Adapted from F-D-C Reports, Sept. 11, 1972, p.8 (FDA Cardiovascular Advisory Committee).

Note
A fixed combination drug is not indicated for initial therapy of hypertension. Hypertension requires therapy titrated to the individual patient. Recognizing this, if the fixed combination drug meets that titrated dose of its individual components, its use may be more convenient in the management of the individual patient. The treatment of hypertension is not static, it must be re-evaluated as conditions in each patient warrant. Adapted from F-D-C Reports, Sept. 11, 1972, p. 8 (FDA Cardiovascular Advisory Committee).

Sales Tax Credit

The Ontario Sales Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1975, **except**

- (a) persons under age 16 at the end of 1975, and
- (b) persons claimed as dependants for income tax purposes by any other person resident in Ontario.

Pensioner Tax Credit

The Ontario Pensioner Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1975, who are age 65 or over at the end of 1975, **except** for a married couple both of whom are age 65 or over at the end of that year living in the same principal residence; in which case only the spouse with the higher taxable income is entitled to claim this credit.

Where both spouses are 65 or over and neither spouse has a taxable income, the Pensioner Tax Credit must be claimed by the same spouse who is claiming the Property Tax Credit, except when no Property Tax Credit is being claimed; in which case either spouse, but not both of them, may claim the Pensioner Tax Credit.

Where only one spouse is 65 years of age or over, that spouse may claim the credit.

Principal Residence

'Principal residence' means the housing unit which was ordinarily occupied or inhabited during the taxation year. Principal residence includes a temporary residence such as a hotel room which was occupied continuously by the individual for all or part of the year, and also includes a mobile housing unit such as a trailer which was used as the principal residence of the individual. For persons who move, the principal residence includes all housing units (or addresses in Ontario) occupied or inhabited by the person during the taxation year.

Annual property taxes or annual rent must be prorated to cover only the period of occupancy as a principal residence.

Occupancy Cost

'Occupancy cost' means

- (a) the total property tax paid in respect of the principal residence for the taxation year, or
- (b) 20% of the total rent (excluding any amount paid for meals or board) paid in respect of the principal residence for the taxation year.

Spouse Having the Higher Taxable Income

Where husband and wife reside in the same principal residence, the Ontario Property Tax Credit and/or Pensioner Tax Credit must be claimed by the spouse having the higher taxable income, regardless of the registered ownership of the principal residence.

Post-secondary School Students

Where the principal residence of an individual who is a full-time post-secondary school student is in a residence (prescribed by Regulations) of an Ontario university or college, the occupancy cost in respect of such residence is limited to \$25.

(Numéro, rue ou n° de R.R., municipalité, province)

Je certifie que les renseignements donnés ici sont vrais et exacts.

Règles et indications générales concernant les crédits d'impôt foncier, de taxe sur les ventes et d'impôt aux pensionnés

Crédit d'impôt foncier

Le crédit d'impôt foncier de l'Ontario peut être demandé par tous les particuliers qui étaient résidents de l'Ontario le 31 décembre 1975,

sauf

- a) les personnes âgées de moins de 16 ans à la fin de 1975, et
- b) les personnes âgées de moins de 21 ans à la fin de 1975 qui habitent à la maison et sont déclarées à charge.

Le crédit d'impôt foncier doit être demandé par le conjoint ayant le revenu imposable le plus élevé.

Pour déterminer le coût d'habitation, vous ne devez compter

que l'impôt foncier ou le loyer de votre **résidence principale**.

Vous ne pouvez faire entrer dans le coût d'habitation l'impôt foncier ni le loyer d'une deuxième résidence ou d'un chalet.

Vous n'êtes pas tenu de produire avec la déclaration les reçus de loyers ou d'impôts fonciers pour 1975, mais vous devez pouvoir les produire sur demande. Cependant, vous êtes tenu de produire les reçus de loyers et d'impôts fonciers payés en 1975 qui se rapportent à des années d'imposition antérieures.

Crédit de taxe sur les ventes

Toute personne résidant en Ontario le 31 décembre 1975 peut demander le crédit de taxe sur les ventes de l'Ontario, **sauf**

- a) les personnes âgées de moins de 16 ans à la fin de 1975, et
- b) les personnes déclarées à charge aux fins de l'impôt sur le revenu par tout autre résident de l'Ontario.

Crédit d'impôt aux pensionnés

Toute personne qui était âgée de 65 ans ou plus à la fin de 1975 et qui résidait en Ontario le 31 décembre 1975 peut demander le crédit d'impôt aux pensionnés de l'Ontario, **sauf** que, dans le cas où le mari et la femme étaient âgés tous deux de 65 ans ou plus à la fin de ladite année et habitaient la même résidence principale, seul le conjoint ayant le revenu imposable le plus élevé peut demander ce crédit.

Lorsque les deux conjoints sont âgés de 65 ans ou plus et qu'aucun n'a un revenu imposable, le crédit d'impôt aux pensionnés doit être demandé par le conjoint qui demande le crédit d'impôt foncier, mais si aucun n'a demandé le crédit d'impôt foncier, le crédit d'impôt aux pensionnés peut être demandé par l'un ou par l'autre, mais non par les deux. Lorsqu'un seul des conjoints est âgé de 65 ans ou plus, c'est ce conjoint qui peut demander le crédit.

Résidence principale

La «résidence principale» désigne le logement que l'on a habituellement occupé ou habité pendant l'année d'imposition. Elle comprend une résidence temporaire, par exemple une chambre d'hôtel que le particulier a occupée de façon continue pendant la totalité ou une partie de l'année, et comprend également un logement mobile, comme une roulotte, lui ayant servi de résidence principale. Dans le cas d'une personne qui déménage, la résidence principale comprend tous les logements (ou les adresses en Ontario) qu'elle a occupés ou habités pendant l'année d'imposition.

On doit faire un calcul proportionnel du montant annuel des impôts fonciers ou du loyer afin de ne compter que la période pendant laquelle un logement a servi de résidence principale.

Coût d'habitation

Par «coût d'habitation», il faut entendre

- a) la totalité de l'impôt foncier versé à l'égard de la résidence principale pour l'année d'imposition, ou
- b) 20% du loyer total (à l'exclusion de tout montant payé pour les repas ou la pension) versé à l'égard de la résidence principale pour l'année d'imposition.

Conjoint ayant le revenu imposable le plus élevé

Lorsque les conjoints habitent la même résidence principale, le crédit d'impôt foncier et (ou) le crédit d'impôt aux pensionnés de l'Ontario doivent être demandés par le conjoint ayant le revenu imposable le plus élevé, quel que soit celui qui détient le titre de propriété de la résidence principale.

Personnes qui poursuivent des études de niveau post-secondaire

Lorsque la résidence principale d'un particulier qui poursuit à plein temps des études de niveau post-secondaire se trouve dans un logement (prescrit par les Règlements) tenu par une université ou un collège de l'Ontario, le coût d'habitation à l'égard de cette résidence est limité à \$25.

- (b) the amount of tax paid;
- (c) the date of payment of the tax;
- (d) the number of the registration certificate of the registrant from whom the fuel for the tax on which a refund is sought was obtained;
- (e) the name and address of the vendor; and
- (f) the name and address of the purchaser,

and no refund shall be paid in respect of any invoice or invoices on or in connection with which the applicant has misrepresented a material fact.

(6) Where an application for a refund under this section or under section 18 of the Act is supported in whole or in part by an invoice or invoices on or in connection with which the applicant has misrepresented a material fact, the amount of the refund that may be made by the Minister in respect of the application shall be reduced by the greater of \$5 or 200 per cent of the amount of the refund claimed through the use of the invoice or invoices on or in connection with which the misrepresentation is made. O. Reg. 215/76, s. 2, *part*.

5a.—(1) In this section, "debtor" means a person to whom a registrant has sold fuel.

(2) Subject to subsection 3, the Minister may, on application by a registrant, refund amounts remitted by the registrant to the Treasurer on account of tax collectable under the Act in the proportion that the sale price, including tax, of the fuel in respect of which the amounts were remitted has become uncollectable by the registrant where,

- (a) the tax collectable is in respect of the registrant's sales made in bulk; and
- (b) the sale was made by the registrant after the 30th day of April, 1972.

(3) No refund shall be made under this section where,

- (a) the tax collectable is in respect of fuel delivered by the registrant directly into the fuel tank of a motor vehicle; or
- (b) the registrant has assumed responsibility for the collection of the debt arising from the sale of fuel by a person other than the registrant.

(4) For the purpose of subsection 2, an amount shall be deemed to be uncollectable where,

- (a) the registrant has been unable to recover the amount payable to him;
- (b) the registrant has demanded in writing payment of the amount payable within one month of the sale and thereafter at regular intervals of not more than one month for a period of six months; and
- (c) the registrant has taken all steps to effect collection that, in the opinion of the Minister, are reasonable.

(5) Where a debtor has become a bankrupt, the registrant shall notify the Minister of the bankruptcy within ten days of the registrant's receipt of the notice of first meeting of creditors, and where the Minister is not so notified, he may refuse to make any refund under this section unless he is satisfied that the Treasurer has suffered no financial loss from the Minister's being unable, through the registrant's failure to give notice of the bankruptcy within the said ten days, to file a proof of claim in the bankruptcy, in which case the Minister may refund to the registrant the whole or such lesser amount of the refund claimed as the Minister determines to be reasonable in the circumstances.

(6) An application required under subsection 2 shall be in a form approved by the Minister and shall be accompanied by such information as the Minister may require.

(7) Where a refund has been made under this section, the tax in respect of which that amount has been remitted to the Treasurer shall remain payable to the Treasurer, and such tax shall be paid to the Treasurer out of any subsequent recovery made by the registrant in accordance with the allocation described in subsection 8.

(8) For the purposes of this section, where a registrant receives payment from or on behalf of a debtor, the registrant shall allocate such receipts, both before and after any refund under this section has been made by the Minister, to outstanding amounts payable by the debtor in the order of date of sale, and proportionately between the tax collectable and the other outstanding amounts payable by the debtor in respect of his purchases from the registrant. O. Reg. 215/76, s. 2, *part*.

THE LANDLORD AND TENANT ACT

O. Reg. 217/76.

Summary of Part IV of the Act.

Made—March 3rd, 1976.

Filed—March 9th, 1976.

REGULATION MADE UNDER THE LANDLORD AND TENANT ACT

SUMMARY OF PART IV OF THE ACT

1. The summary of Part IV of the Act mentioned in clause *d* of subsection 1 of section 104 of the Act shall be in the form set out in the Schedule.
O. Reg. 217/76, s. 1.

Schedule

GENERAL

1. Part IV of *The Landlord and Tenant Act* governs the relationship between landlords and tenants of residential premises, and applies whether the tenancy agreement is written, oral or implied. (ss. 81, 82)

2. Neither a landlord nor a tenant may waive his rights under Part IV of the Act, either orally or by written agreement. (s. 82)

3. If the tenancy agreement is in writing, the landlord must return a signed copy to the tenant not later than twenty-one days after the tenant has delivered a signed copy to the landlord; failure to do so by the landlord relieves the tenant from any obligation (including the payment of rent) under the agreement until the landlord does deliver a copy to him. (s. 83)

SECURITY DEPOSITS

4.—(1) The landlord may demand a security deposit equal to the last month's rent. The landlord must pay the tenant 6 per cent interest annually, as long as he holds this money. When the tenant leaves, at the expiration of the term of the lease, the last month's rent has already been paid.

(2) Security deposits to cover damages or repairs are no longer lawful (except for fixed-term tenancies in mobile home parks that were made before December 18th, 1975; the deposit for damages must be returned when the tenancy agreement is ended or renewed). (s. 85)

SEIZURE OF A TENANT'S PROPERTY

5. It is an offence for a landlord to seize a tenant's personal property, if the tenant is behind in the rent. (s. 86)

SUBLETTING OR ASSIGNING RENTED PREMISES

6.—(1) A tenant, other than one in public or subsidized housing, may sublet or assign the rental accommodation. However, the landlord may have reserved the right in the tenancy agreement to approve the new tenant. The landlord's consent may not be withheld unreasonably or arbitrarily, and the landlord may only charge reasonable and modest expenses for giving consent.

(2) A landlord or tenant may apply to a judge of the county or district court to settle disputes over subletting or assigning premises. (s. 91)

RIGHT TO PRIVACY

7.—(1) Except in emergencies, a landlord or employees of the landlord may not enter the rented premises without giving twenty-four hours' written notice to the tenant, specifying a time during the day. However, a tenancy agreement may give the landlord the right to show the rented premises during reasonable hours, to a prospective tenant, after proper notice to move has been given. A tenant may also allow a landlord to enter the premises at the time of request. (s. 93)

(2) Neither the landlord nor the tenant may change the lock on a door to the rented premises without the other's consent. (s. 95)

8. A landlord cannot keep political canvassers away from rented premises. (s. 94)

REPAIRS AND MAINTENANCE

9.—(1) Part IV requires a landlord to keep the rented premises in good condition and fit for habitation during the tenancy. The landlord must also comply with all legal health, safety and housing standards, no matter what state the premises are in when a tenant moves in. (s. 96 (1))

(2) Tenants are responsible for ordinary cleanliness (good housekeeping) and for repairing any damages they or their guests cause wilfully or negligently. (s. 96 (2))

(3) Under the Act, a tenant may apply to a judge of the county or district court for an order to have repairs done or to authorize repairs for which the tenant has paid. The judge may grant the tenant a decrease in rent for as long a time as the premises were improperly maintained. (s. 96 (3))

(4) In emergencies, the tenant may have crucial repairs done immediately and deduct the amount from the rent. Tenants must have detailed receipts for all work. If the tenant cannot demonstrate that the repairs were necessary and done as inexpensively as possible, the landlord may apply

to the court and the judge may order the tenant to repay the rent which has been withheld. The judge may even allow the landlord to end the tenancy and order the eviction of the tenant. (s. 96 (3))

TERMINATING A TENANCY

10.—(1) Tenancies for a fixed period of time (fixed term) such as six months or one year or eighteen months, do not any longer simply "run out", requiring the tenant to move at the end of the term. Where such a tenancy comes to an end without the landlord or tenant having entered into a new tenancy agreement, the Act provides that the agreement has been renewed as a month-to-month tenancy until both parties agree to another term. Since tenancies will go on indefinitely, landlords or tenants who want to end weekly, monthly, yearly or fixed-term tenancies of residential premises must notify each other in writing.

(2) A landlord and tenant may mutually agree to terminate on a specific date, in writing, during the tenancy, in which case there is no need for notice. (ss. 98-103c)

11.—(1) Notice from either the landlord or the tenant must,

- (a) be in writing and signed by the person giving notice, or his or her agent, and should include the date of signing;
- (b) identify the premises for which notice is given; and
- (c) specify the date the premises are to be vacated (the termination date).

(2) Notice of termination from a landlord must also,

- (a) state the reason and particulars for terminating the tenancy; and
- (b) advise the tenant that if he or she intends to dispute the landlord's claim to possession, he or she need not vacate the premises, but that the landlord may regain possession by applying for an order from the clerk or the judge of the county or district court permitting eviction, and that the tenant is entitled to dispute the landlord's claim. (s. 99 (1))

12.—(1) Notice to end a tenancy by either landlord or tenant has to be given not less than twenty-eight days before the last day of a weekly tenancy and sixty days before the last day of a monthly, year-to-year or fixed-term tenancy. If the notice is late by even one day, it is ineffective and proper notice must be given. (ss. 100-103a)

(2) If a landlord intends to demolish, convert to other use, or extensively repair the premises,

the landlord must give at least 120 days notice before the end of the tenancy. (s. 103d)

(3) A landlord may end a tenancy during the life of the agreement, for certain reasons and within special notice periods. (ss. 103e, 103f)

13.—(1) A tenant may deliver the notice personally to the landlord, or his or her agent, or send it by ordinary mail. When sent by mail, the Act assumes that it is delivered on the third day after the date of mailing. (s. 109)

(2) A landlord must try to deliver a notice to the tenant personally. If the tenant is away or evading service, the notice may be handed to a person apparently eighteen years or older on the tenant's premises, by posting it up in a conspicuous place on the rented premises or by sending it by registered mail to the premises. If notice is mailed, it is assumed to be delivered on the third day after the date of mailing. (s. 109)

14.—(1) A landlord must have a legitimate reason for terminating a tenancy, under Part IV of the Act. The reasons, along with particulars, must be stated in the notice, whether the termination is at the end of a tenancy period or term, or during the term. (s. 99 (1))

(2) If a tenant fails to pay his rent when it is due, a landlord may give notice of termination, specifying a termination date not less than twenty days after notice is given. If the tenant pays the rent within fourteen days of the notice, the notice becomes ineffective. (s. 103e)

(3) A landlord may serve a notice of termination under the following circumstances:

1. When a tenant, or his or her guests, cause undue damage to the premises, wilfully or negligently. (s. 103f (1) (a))
2. When a tenant, or his or her guests substantially interferes with the reasonable enjoyment of the premises by the landlord or the other tenants. (s. 103f (1) (c))
3. When a tenant, or his or her guests, seriously impair the safety or other lawful right, privilege or interest of any other tenants on the premises. (s. 103f (1) (d))
4. When the occupants of the premises on a continuing basis exceed the number permitted by health, safety or housing standards. (s. 103f (1) (e))

(4) If any of these latter four reasons are given, the landlord must give notice specified to be effective not less than twenty days after the date notice is given. The landlord must also inform the tenant that he has seven days to correct the situation. If, within the seven days, the tenant

complies or satisfies the landlord that the situation will be corrected, the notice is ineffective. If the tenant does not rectify the situation within the seven days, the landlord may apply to the court for an order to evict the tenant. (s. 103f (1-3))

(5) If there is a second breach of these obligations by the tenant within a six-month period, the landlord need give only fourteen days notice and may immediately apply to the court for an order permitting the tenant's eviction. (s. 103f (4))

15.—(1) A landlord also has cause for early termination if,

- (a) a tenant performs or commits an illegal act, or carries on an illegal business on the premises; or
- (b) a tenant in public or subsidized housing misrepresents his or her income or that of other members of his or her family occupying the residential premises. (s. 103f (1) (b) (f))

(2) Where the notice is based on one of these two reasons, the landlord must give notice specified to be effective not less than twenty days after the date the notice is given. The landlord may apply immediately to the court for an eviction order. (s. 103f (3))

16.—(1) Each reason for ending a tenancy before the end of the term or rental period also applies to terminating at the end of a term or rental period. (s. 103g (3))

(2) The Act recognizes additional causes for termination at the end of a rental period, as follows:

1. If the landlord needs the premises for himself or herself, or a member of his or her immediate family. (To qualify the landlord must give the tenant at least sixty days notice.)
2. The tenant has persistently failed to pay rent on the day it is due. (This cause applies even though the tenant may not be in arrears at the end of the term.)
3. The premises are public or subsidized housing and the tenant no longer qualifies to occupy such premises.
4. The tenant was provided the residential premises by an employer and the tenant's employment is ended.
5. The tenancy arose by virtue of an agreement to purchase a proposed condominium unit, and the agreement fell through.
6. A landlord needs the residential premises for demolition, conversion to use other

than rental-residential premises, or repairs or renovations so extensive as to require a building permit and vacant possession of the premises. (s. 103g (3), s. 103d)

(3) Where the landlord has given a tenant notice of termination at the end of the term or rental period, the landlord may immediately apply to the county or district court for an eviction order to be effective on or after the termination date in the notice. The landlord and tenant also may agree in writing to termination on a specified day. The landlord can enforce the agreement by applying to the court for an eviction order. (s. 103g)

(4) In the event of demolition, conversion to use for a purpose other than rental-residential premises (e.g., a condominium), or to make repairs or renovations so extensive as to require a building permit and vacant possession of the premises, the landlord may give notice specifying a date at or after the end of a tenancy period, and not earlier than 120 days from the date notice is given. (s. 103d (1))

(5) A tenant who gets such a notice has the following choices:

1. The tenant may comply.
2. The tenant may decide to move out on an earlier date, and if so, the tenant must give the landlord at least ten days written notice prior to the time that he or she intends to vacate and pay up any arrears of rent to the date of termination (in the tenant's notice), taking into account any security deposit for rent which may be held by the landlord.
3. The tenant may require the landlord to satisfy a judge that his or her claim is valid, and that he or she has obtained all necessary demolition permits or other authority. (s. 103d (2))

(6) Where the notice relates to extensive repairs or renovations, the tenant may obtain the right of first refusal to occupy the premises as a tenant when the work is completed, by indicating to the landlord in writing that he or she wishes to have this right. To retain the right, the tenant must inform the landlord by registered mail of any change of address. The rent for the premises after the renovation or repairs must be at the lowest rent that would be charged to any other tenant for the same premises. (s. 103d (3))

(7) Special provisions apply to the termination of a tenancy by a caretaker, janitor, manager, watchman, security guard or superintendent. Unless otherwise agreed, the tenancy ends on the day that person's employment is ended. The "caretaker" has one rent-free week from that date in which to vacate the premises. (s. 106b)

17. The landlord has a right to apply to the county or district court for an order declaring a tenancy ended, for an eviction order (writ of possession), for the payment of arrears of rent or compensation, or to enforce a tenant's notice of termination or agreement to terminate, as well as the right to apply for an order to have repairs done at a tenant's expense. (s. 106)

18. In addition to the right to apply for authorization for repairs, a tenant may apply to the court to end a tenancy or have the rent lowered if the landlord failed, in a significant way, to fulfill his or her obligations. The tenant may apply to the court for a return of a rent deposit and the related interest on that deposit. (ss. 96, 106)

COURT MATTERS

19.—(1) If a landlord, or a tenant, wishes to enforce his legal remedies, he may apply to the county or district court. The party against whom the application is made will be notified of the application, and given an opportunity to challenge it in writing, or by appearing before the clerk of the court, in person, or through a representative. If the application is not challenged, notice of the order will be sent to the person against whom application was made. (s. 106)

(2) Landlords and tenants may now be represented before the judge by agents other than lawyers. Recent amendments to the Act are intended to encourage informality in these court hearings, by relaxing the strict rules of evidence. (s. 106e)

EVICCTIONS

20. A tenant may only be evicted by the sheriff and his officers, under the authority of a court order permitting eviction (a writ of possession). (s. 107 (1))

MOBILE HOME PARKS

21.—(1) All of the provisions of the Act also apply to landlords of mobile home parks and owners of mobile homes (not travel or tent trailers) renting these sites in the parks. (s. 81)

(2) Tenants in these parks may sell, lease, or otherwise dispose of their mobile homes, even if the homes remain in the park. The landlord cannot unreasonably or arbitrarily withhold his consent to the new owners remaining in the park. The landlord is entitled only to charge reasonable expenses for giving his consent. Any dispute over landlord's consent may be referred to a county or district court judge. (s. 111 (1-5))

(3) The landlord is not entitled to act as the tenant's agent in the sale, rental or other disposal of the tenant's mobile home, unless there is a written contract to that effect. (s. 111 (6))

(4) Landlords are no longer permitted to charge entry and installation fees or removal and exit fees for mobile homes from the park, or for the granting of a tenancy, except to recover reasonable expenses. (s. 112)

(5) A landlord may not restrict the right of a tenant to purchase goods or services from a person of his or her choice. The landlord may, however, set reasonable standards for mobile home equipment. (s. 113)

(6) Landlords are obliged to provide garbage disposal and snow removal and to maintain roads and services within the mobile home parks. (s. 114)

NOTICE OF RENT INCREASE

22.—(1) A landlord is now required to give a tenant ninety days' notice of a rent increase, setting out the amount of the increase, in addition to his responsibilities under *The Residential Premises Rent Review Act, 1975 (2nd Session)*. The rent review legislation compels a landlord to give notice justifying the increase, which must accompany the notice of a rent increase. (s. 115 (1))

(2) Unless the tenant decides to move out and gives proper, written notice, the tenant is considered to have accepted the amount of rent increase allowed by law. (s. 115 (2))

(3) During the life of the rent review legislation, the tenant does not surrender his right to challenge a rent increase by signing a new tenancy agreement, or by not responding to a landlord's notice of increase. (s. 115 (3))

TENANT'S SECURITY

23. It is an offence for a landlord to harass a tenant out of the premises, or to interfere with the supply of vital services, such as heat or electricity, while the tenant is in occupation. (s. 107 (4))

24.—(1) A judge will refuse a landlord an order permitting eviction if the court finds that the landlord,

(a) has not lived up to his or her fundamental obligations;

(b) wants to evict a tenant because he or she has complained to authorities about the landlord's violation of health, safety or housing laws;

(c) is retaliating against a tenant who sought to exercise his or her legal rights;

(d) wants to evict a tenant because he or she belongs to a tenants' association or is trying to organize one; or

(e) wants to evict a tenant because of the presence of children (except in cases of overcrowding or premises unsuitable for children). (s. 107 (3))

(2) A group of tenants sharing a common problem with a landlord may, if a judge approves, jointly take that landlord to court. Conversely, a landlord may take a group of tenants to court, if a judge approves. (s. 106f)

(b) in the case of a housing unit in the building of a co-operative corporation, when,

(ii) an enforceable occupancy agreement in respect of the unit of the

co-operative corporation has been entered into between the person and the corporation, and

(iii) the person is entitled to acquire immediate vacant possession of such unit under the terms of the occupancy agreement;

(c) in the case of a housing unit that is a mobile home, when,

(i) the person has purchased, or agreed in writing to purchase, the mobile home,

(ii) the mobile home is situated on the land where it is to be inhabited as a housing unit, and

(iii) such land is owned by the person, or is occupied by him under a licence or lease that permits the person to locate thereon the mobile home and to occupy it as his principal residence;

(i) is a lease of the land on which the housing unit is located,

(ii) contains an option permitting the lessee from time to time in immediate possession under the lease to purchase the fee simple in the reversion of the leased land for an amount not greater than the fair market value, at the time of exercising the option, of the land as vacant land, and

(iii) subject to the earlier exercise of the option described in subclause ii, is for a term of at least thirty years from the date on which the lease that is purchased was granted,

Made—March 16th, 1976.

Approved—March 17th, 1976.

Filed—March 19th, 1976.

REGULATION MADE UNDER
THE EDUCATION ACT, 1974

CALCULATION OF FEES FOR PUPILS

1. In this Regulation,

- (a) "current cost of operating" means, in respect of a board, its current cost of operating for 1976 as defined in section 1 of Ontario Regulation 237/76 except that, in respect of a board appointed under section 68 of the Act, the revenue fund expenditure for 1976 for all furniture and equipment and all debt charges as defined in section 1 of such Regulation are excluded therefrom;
- (b) "pupil accommodation charge" means pupil accommodation charge as defined in section 1 of Ontario Regulation 237/76.

2.—(1) Subject to subsection 2 and to sections 3 and 6, where a board provides instruction for pupils whose fees are receivable from another board or from Canada, the fees shall be calculated by,

- (a) dividing the current cost of operating in respect of elementary schools or secondary schools, as the case may be, of the board for the year in which it provides the instruction by the average daily enrolment for such year of pupils enrolled at such schools; and
- (b) multiplying the average daily enrolment of the elementary or secondary school pupils whose fees are receivable from the other board or from Canada, as the case may be, by the sum of,
 - (i) the amount determined under clause a, and
 - (ii) except where the board that provides the instruction is a board appointed under section 68 of the Act, the pupil accommodation charge for such pupils.

(2) Where a board has entered into an agreement under subsection 2 of section 162 of the Act that provides for a payment by the Crown in right of Canada to provide classroom accommodation for a specified number of pupils, the

pupil accommodation charge for each such pupil shall be deemed to be zero.

3. Where a board appointed under section 68 of the Act operates a school in a centre for the treatment of cerebral palsy, a crippled children's treatment centre, a hospital or a sanatorium and provides instruction therein for pupils whose fees are receivable from any source, the fee for such a pupil shall be calculated by,

- (a) adding to the current cost of operating of the board for the year in which it provides the instruction, the portion approved by the Minister for grant purposes of the expenditure for such year for the transportation of pupils, and deducting from the total thereof the general legislative grants payable to the board for such year except a grant that is equal to the cost of education;
- (b) dividing the amount determined under clause a by the sum of the days on which each pupil is enrolled at the school; and
- (c) multiplying the amount determined under clause b by the number of days for which the pupil whose fee is being calculated is enrolled at the school.

4. Where a board, except a board appointed under section 68 of the Act, provides instruction for a pupil in respect of whom fees are required to be paid, other than a pupil whose fees are receivable from another board or from Canada, the fees payable by or on behalf of the pupil shall be such as the board may prescribe but, subject to subsection 4 of section 6, shall not exceed the product obtained by multiplying the average daily enrolment of such pupil for the year in which such instruction is provided by the quotient obtained by dividing,

- (a) the sum of the products, for each municipality and part of territory without municipal organization in the jurisdiction of the board that provides the instruction, of the assessment for the preceding year that is rateable for public, secondary or separate school purposes, as the case may be, the mill rate for such year for such purposes, and 0.001;

by,

- (b) the average daily enrolment for such preceding year of resident-internal pupils and resident-external pupils of the board that provides the instruction.

5. Notwithstanding section 4, where in any year a board provides instruction for a pupil in respect of whom fees are required to be paid and whose parent or guardian does not reside in Ontario, the fees payable by or on behalf of the pupil shall be such

as the board may prescribe but, subject to subsection 4 of section 6, shall not exceed the product obtained by multiplying,

- (a) one-tenth of the sum of the quotient determined under clause a of section 2 and the pupil accommodation charge for the pupil;

by,

provides the instruction and the board from which or the party from whom the fee is receivable.

(3) Subsection 2 applies *mutatis mutandis* in the case of secondary school pupils.

(4) Where a pupil to whom section 4 or 5 applies is registered in a high-cost program, the maximum fees payable in respect of such pupil shall be determined by multiplying the maximum fees under section 4 or 5, as the case may be, by a factor to be agreed upon between the board that provides the instruction and the party from whom the fees are receivable.

(5) Where under this section the board that provides the instruction and the other board or party concerned cannot agree upon a factor, the factor shall be determined by three arbitrators, one arbitrator appointed by the board that provides the instruction, one arbitrator appointed by the board from which or the party from whom the fee is receivable and one arbitrator appointed by the Minister, and the decision of the arbitrators or a majority of them is final and binding upon the board that provides the instruction and the other board or party concerned.

7. Where a board, except a board appointed under section 68 of the Act, provides an educational program in a hospital or treatment centre that is not referred to in section 27 of Ontario Regulation 237/76, the fee payable in respect of a pupil who is not qualified to be a resident pupil of the board and for whom such an education program is provided shall be such as may be agreed upon between the board that provides the program and the parent or guardian of the pupil or the board of which the pupil is qualified to be a resident pupil.

8. This Regulation applies to fees for pupils in respect of the year 1976.
